

DX COLOR GUARD MEMBERS MAKE PRESENTATIONS TO  
LEAWOOD 5<sup>TH</sup> GRADERS

Compatriots Phil Barbour and Richard Cox joined DAR members Rory Thomas and Rhonda Carter in making presentations to approximately 60 fifth graders at Prairie Star Elementary School in Leawood. Compatriot Cox discussed the various uniforms and weapons used during the Revolutionary War and how they were used, while Compatriot Barbour presented as a member of the militia and showcased his collection of uniform, tools and clothing.

The DX Color Guard not only performs at meetings and in parades, but is an important outreach tool for the SAR. The Guard is the most visible and recognized symbol of the American Revolution and the SAR and we are in need of new volunteers. Subsidies and assistance are available to DX members in securing uniforms and accoutrements. Contact the chapter Color Guard Commander to explore how you can take the next step in meeting your obligations to the SAR and our forefathers.
